Project presentations

1 message

Dandekar Yogesh <yogesh.dandekar@cumminscollege.edu.in>

Wed, Apr 27,

To: mech.thirdyear2021-22@cumminscollege.edu.in

Cc: MECH-Faculty <mech.faculty@cumminscollege.edu.in>

Dear students,

I hope you all are doing well and preparing for the final year project presentation and synopsis tomorrow 28 Apr 2022.

Trust that your respective guides have already provided you the synopsis format and guided you how to present the first review of the project.

Again I am attaching the format of synopsis. you are expected to submit duly signed softcopy/hardcopy of the same by tomorrow in a proper hard paper or plastic file. (2 copies, during your presentation).

You are free to take input from this synopsis to prepare the presentation.

Use the attached excel sheet (*you can modify it as per the instructions from your guide*) to prepare the timeline.

Please feel free to meet me for any query regarding the presentation or project work preparation available till 3.50 pm today in the college or over a phone call after that.

—

Subject: Internship for Engineering student.

Dear Sir,

Maharshi Karve Stree Shikshan Samstha's Cummins College of Engineering for women, Nagpur was established in Vidarbha in 2010. The college empowers women engineers in the field of Electronics and Telecommunication, Computer Engineering and Mechanical Engineering branches.

Industrial exposure to students during internship provides them real insight into Industry/R&D processes. The interaction of students with the industry environment will definitely be of mutual help for both of us. We therefore request you to allow Miss Pragati Murskar, Miss Dhanshri Nirwan, Miss Priyanka Choudhari, Miss Tannu Gaikwad and Miss Leena Walke, students of 3rd year of the Mechanical Engineering department for the internship. They would like to join for Offline Internship in your organization for the duration of 15 days from 17th June 2023 to 30th June 2023.

Your co-operation in this regard will not only help the cause of education but will also strengthen the women engineers of the nation. Thank you in anticipation.

With Regards,

Dr. Mahesh Shukla

Subject: Internship for Engineering student.

Dear Sir,

Maharshi Karve Stree Shikshan Samstha's Cummins College of Engineering for women, Nagpur was established in Vidarbha in 2010. The college empowers women engineers in the field of Electronics and Telecommunication, Computer Engineering and Mechanical Engineering branches.

Industrial exposure to students during internship provides them real insight into Industry/R&D processes. The interaction of students with the industry environment will definitely be of mutual help for both of us. We therefore request you to allow Miss Achal Giradkar, Miss Shruti Suryawanshi, Miss Prajakta Gedam and Mimanshi Tembhurne, students of 3rd year of the Mechanical Engineering department for the internship. They would like to join for Offline Internship in your organization for the duration of 15 days from 1st July 2023 to 15th July 2023.

Your co-operation in this regard will not only help the cause of education but will also strengthen the women engineers of the nation. Thank you in anticipation.

With Regards,

Dr. Mahesh Shukla

Report on Field work/ Industrial Visit to Weldfast Electrodes, Hingna MIDC, Nagpur

The department of Mechanical engineering of Cummins college of Engineering for women had organized an industry visit / field work for 2nd year students to Weldfast Electrodes Pvt.Ltd.

,Hingna, MIDC on 24 Feb. 2023. 13 students with 2 faculty members visited the Industry.

The main objective behind the visit was to showcase all the real working equipment's, machinery, operational methodology and everything else, that students will come across once they enter into professional field after the completion of their respective courses.

Mr. Yadavrao Sarode (Senior Work Manager) welcomed the Faculty members and students at their site. Mr. Bawane (Supervisor) explained to students about detailed working at their industry. He answered different questions from students in detail and satisfied their curiosity.

The visit was organized by Prof. Vikram Dandekar under the guidance of Dr. Mahesh Shukla. CCOEW students and faculties appreciated both the industry coordinators who explained every process comprehensively to students.
