3.4.1. Outcomes of Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

The motto of NSS unit of the college is to encourage the young generation to imbibe responsible citizen of country with social sense and to serve the nation to know the ground reality and connect with the neighborhood community. Over the last five years, institute has conducted several extension activities in neighborhood community aimed at impacting and sensitizing the students to social issues and to promote their holistic development.

- The NSS activities of the college are partially financed by NSS cell of affiliating university. The college has separate office and other facilities for NSS cell.
- The institute has UBA unit and has received funding from Directorate of Technical Education. “Unnat Bharat Abhiyan” a flagship national program of Ministry of Human Resource Development (MHRD), Government of India and IIT Delhi to develop villages in the vicinity of institution. Under this we have adopted 5 villages Lakhmapur, Mandwa, Pipaldhara, Sukali and Salai Mendha.
- Total 100 + volunteers get registered every year. The unit organizes skill development activities in adopted villages like Computer Awareness, Yoga, Paper Craft, Communication skills etc. and many social awareness activities in campus.

Feeding Birds under 'Unnat Bharat Abhiyan' (UBA)

MKSSS Cummins College of Engineering for Women, Nagpur organized the "Feeding birds" activity under 'Unnat Bharat Abhiyan' (UBA) which was held on 25th April 2023. Dr. Anirudh Bhagat, Director of Central India Bird Academy who has been researching the life of birds for 30 years was the chief guest of the event. Keeping in mind the concept of 'Best out of waste' more than 100-students participated in this activity and more than 50 containers were made by the students to provide fodder and water to the birds. Also, the teachers and students hung these Containers on the trees in the college premises and arrangements were made to refill them, also inspired us to take initiative in protecting the birds.

Health Check-up camp in collaboration with Chhaya Research and development foundation

That's an excellent initiative taken by the NSS unit of Cummins College of Engineering for Women! Organizing a 'Health Check-up Camp' in collaboration with Chhaya Research and Development Foundation demonstrates a commitment to the well-being of the staff members of both CCOEW and Sitabai Nargundkar College of Nursing.

Here's a summary of the information you provided:

Event: Health Check-up Camp

Organized by: NSS unit of Cummins College of Engineering for Women

Date: 10th February 2023

Collaboration with: Chhaya Research and Development Foundation

Participants: Staff members of CCOEW and Sitabai Nargundkar College of Nursing

Tests Conducted: LIPID Profile, Blood sugar test for diabetes, Blood Pressure (B.P.) check.

It's commendable that the camp included a range of health tests, providing a comprehensive assessment of the participants' health. Advising individuals based on their test results adds significant value to such health initiatives, as it helps people understand and manage their health better. This kind of proactive approach to healthcare contributes to creating a healthier and more aware community. Congratulations to the NSS unit for organizing such a beneficial event!

Skill development activity at Mandva "Yoga session"

DATE: 18/12/2022

The National Service Scheme(NSS) unit of "Cummins college of engineering for Women, Nagpur" organised an activity "YOGA" for the students of adopted village "Mandva" on date 18/12/2022. The session was coordinated by Proff. Anand Deshkar with SEVA International. Volunteers taught them basic yoga like Najrasana ,Pranayam, Zumba, etc. Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. It is an art and science of healthy living. The word 'Yoga' is derived from the Sanskrit root 'Yuj', meaning 'to join' or 'to yoke' or 'to unite'. Yoga incorporates systemic exercises and self-development techniques for mind, body, and spirit. Yoga involves exercises engaging all the facets of the human body which is a great way to maintain balance. These exercises include the limbs, the upper and lower body, and breathing Students enjoyed the session. They were very happy after the session. There were nearly 25 students.

Following are the name of volunteers who conducted the activity:

Avi floral world, an insight in plantation and conservation

(By Mr. Nitin Marathe & Dr.M. Badge on 10/11/2022)

Allied Science department of Cummins college of Engineering for women, Nagpur arranged a guest session on Avi floral world, an insight in plantation and conservation for First year students in Student's Induction program. The awareness session was conducted by Mr. Nitin Marathe and Dr. Manas Badge, on 10th Nov 2022. The session focused on importance of tree plantation and its conservation. Mr. Marathe imparted the knowledge of bird plant relationship and its importance. He explained, when we plant a tree, we are not only planting a sapling but also hoping for the best. We have learned the hard way that trees are critical to our survival. We began by deforesting the earth to make room for more buildings. Later, when we saw the environment deteriorating, we were introduced to "afforestation," a simple process of planting more trees for a better future. Trees are essentially human and other living organisms' livestock. They have unconditionally provided us with food, oxygen, and a variety of other necessities for human survival, such as shelter, medicines, tools, and so on. Despite their rich values and importance, trees are still not properly cared for. They are cut down, eradicating all forms of life in the surrounding area.

More than 40 students attended the session. The awareness session was appreciated by students. Prof. R. Deshpande was the co-coordinator of the program.

REPORT ON

Water conservation activity

Unnat Bharat Abhiyan

Adopted village: Mandva

Mandva village is having a check dam in its surroundings built-up almost 24 years back. The condition was not well and water stored in the water body was not remaining due to the cracks developed in the course of time in the wall.

During the conversation with villagers and an NGO named *Janakalyankari Samiti Nagpur* which is having a good rapport with the institute and the village, it was decided to renovate the dam in year 2021 during Covid pandemic (phase I) and consequent efforts in next year (Phase II) also resulted in the increased water body at the place.

Janakalyankari Samiti Nagpur engaged and deployed the machineries to remove the mud accumulated from several years. Volunteers (students and staff) from Participating Institute, Cummins College of Engineering for Women, Nagpur participated in reconstruction work in both the phases year 2021 and year 2022. Total **depth of digging** is around **3.5 meters** giving **capacity of 24000 cubic meter** for water storage. We are expecting that this year's efforts can result in healthy water body which remains intact with good water level even in scorching heat in the summer of Nagpur region.

REPORT ON

Skill development program in village SUKALI “Street Play on Environment awareness and women empowerment”

The NSS unit of Cummins College of Engineering for Women (CCoEW), Nagpur has conducted Skill development workshop on Women Empowerment and Environment Awareness through street play activity for the people of adopted village Sukli (Gupchup) on 25th March, 2022. The students of CCoEW Ms. Sakshi Tonge, Avanti Panch Budhe, Sejal Nimkar etc. initiated the workshop under the guidance of faculties Prof. Sneha Uttarwar and Prof. Anand Deshkar.

With street play, students of CCoEW had given message to the girls of village about importance of education and self-dependence. Street play included the bad effect of dowry custom still exists in villages. Awareness about water saving, garbage segregation, plant trees and save trees was also provided to the people of village.

In this program the Sarpanch Mrs. Rashmi Shambharkar was also present. She expressed her gratitude for such an activity conducted by CCoEW at her village. The event was coordinated by Prof. Sneha Uttarwar and Prof Anand Deshkar faculty from team NSS of the institute

SUB: APPRECIATIONS FOR ORGANISING BLOOD DONATION CAMP.

Dear Sir/Madam,

On behalf of the Management of Jeevan Jyoti Healthcare & Research Trust and Directors of Jeevan Jyoti Blood Bank & Components, Nagpur, we want to express our gratitude and appreciations for the organizing an excellent & successful blood donation camp :

The commendable efforts taken by your organization shows your interest to participate in the importance of voluntary blood donation , which helps blood banks keep a ready stock of life saving blood and blood components for the needy at all times. Voluntary blood donors are like living angels who help save and sustain millions of lives all over the world.

Lastly we would like to thank all the voluntary blood donors who have given us the opportunity to serve the humanity through their noble deed.

We hope to continue to be associated with your organization in future.

With warm regards,
Yours sincerely,

Webinar on the Power of Habit

(Mr. Kumar Zilpelwar _Motivational speaker)

Date: 20/1/2021

A special webinar on **The Power of Habit** was organized on 20/1/2021 during First year student's online induction program. The webinar was conducted by Mr. Kumar Zilpelwar. Mr. Zilpelwar is a dynamic Motivational speaker of Nagpur city. He spoke about the science behind forming and changing habits. It shows how habits shape our lives and provides strategies for making positive changes. The process of turning a sequence of actions into an automatic routine is known as "chunking," and it forms the basis of all habit formation. Its evolutionary role is clear and crucial: it allows the brain to save energy and perform common tasks efficiently. He explained The Golden Rule of Habit Change says that the most effective way to shift a habit is to diagnose and retain the old cue and reward and try to change only the routine. The webinar was coordinated by Prof Rashmi Deshpande of Allied Science Department.

Road Accident Awareness webinar on Defensive Driving-
Badhati ka Naam Gadi (28/12/2021)

A special webinar on Defensive Driving was organised at Cummins college of engineering for Women, Nagpur during First year student's induction program College of Engineering & Technology, Nagpur in association with Tata Strive, "Badhti ka Naam Gadi" on 28th Dec. 2021. This training program was conducted to create awareness on defensive driving to avoid accidents by anticipating situations, reducing road risks, and making safe driving decisions.

The training was conducted by Mr. Rajesh Wagh and Mr. Atharva Kathode, PRO & Project Head of Yuva Daud Manch. Through this webinar students were made aware of their personal responsibility and the need to be alert to human error when driving. The importance of safety equipment, psychological factors such as stress, fatigue, and road rage while driving were also discussed.

The Defensive Driving app was installed from play store by every student where a 24-module based course was played and every student had to attempt a quiz. A Tata Strive certificate which is signed by Mr. Nitin Gadkari, Minister for Road Transport & Highways will be provided to each student after completion of this course. The students found the session interactive and informative.

The webinar was coordinated by Prof Rashmi Deshpande, department of Allied Science.

REPORT ON Tricks of Vedic Mathematics

Allied Science department of Cummins college of Engineering for women, Nagpur organized 4-days sessions on Tricks of Vedic Mathematics from 27th Dec to 30th Dec. 2021 for First year students in Student's Induction program. Vedic mathematics is the ancient system of calculation which was drawn from the Vedas in India. By using Vedic maths, the problems are solved mentally with the use of few or some of steps which increase accuracy and reduces mistakes. Through the application of the sutras, it ensures both speed and accuracy and enhances computational skills. It is strictly based on rational and logical reasoning. It helps students apply the sutras, which improves intuition. The sessions were conducted by Dr. Sanjiwani Shastri and coordinated by Prof. R. Deshpande.

Vaccination drive

It's commendable that Cummins College of Engineering for Women (CCOEW) took proactive steps in response to the instructions from the Vice-Chancellor (VC) of Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU) regarding the vaccination of all students. The institution organized a vaccination drive on October 28, 2021.

In this drive, a total of 8 individuals were vaccinated. This effort aligns with the broader goal of ensuring the health and safety of the student community, staff, and the overall campus environment. Vaccination drives play a crucial role in promoting community health and preventing the spread of infectious diseases.

The proactive response from CCOEW reflects a commitment to the well-being of its members and a responsible approach to public health.

Magazine of Muktangnan Club (2021-2023)

. It sounds like an exciting initiative! Launching a magazine titled "Curious Minds of Electronic Era" at Muktangnan Club of Cummins College of Engineering for Women in Nagpur is a great way to showcase and explore the latest cutting-edge technologies in the electronic field. Having Mr. Anand Deshkar as the editor adds credibility to the publication, and his expertise will likely contribute to the quality and relevance of the content.

The aim to stay ahead of the curve in terms of new technologies and advancements is commendable. This magazine could serve as a platform for students, faculty, and professionals to stay informed about emerging trends, innovative projects, and breakthroughs in the electronic field. It can also foster a sense of curiosity and enthusiasm among readers, inspiring them to delve deeper into the world of electronics.

To make the magazine successful, you might consider including a variety of content such as feature articles, interviews with industry experts, student projects, reviews of new technologies, and updates on research in the electronic field. Additionally, engaging with the readership through interactive elements, discussions, and feedback sessions can help build a community around the magazine.

Editorial Article

Everything is the reality in possible conditions!
Finally, we have come up with our 4th special double issue of our magazine.
After a long period of waiting, we are finally able to share our 4th issue with you.

Talking about the name 'Curious Minds of Electronic Era' (CME) is a topic that
knows no bounds. It is the urge to know more about something. Curiosity makes
you mind observant to the world as when you are curious about something, you mind
expects and anticipates new ideas related to subject. That's why the name curious
minds of electronic era.

As a student of electronics, it is our duty to be curious about the things that are happening
in the world and the universe and they apply their curiosity to discover new things through
observation and investigation.

This Magazine will be a nice new experience for the readers.
The efforts of bringing out this edition wouldn't have been successful without the
support of our principal, teachers and the staff of the college. We also include our
teacher coordinator in charge of Muktagan club prof. Anand Deshpande and my
fellows who have made it possible to collect articles.

I would like to thank my parents, teachers, Designation and all my colleagues for their
continuous support in this beautiful journey. I really appreciate all members
continuous effort and dedication without which it was impossible to complete this work in
the short period.

This is a new scope for improvement and development.
I hope you are enjoying the Curious minds of electronic era.
Respectfully,

JAGDISH CHANDRABOSE

Maxwell's equations are the laws of light

Jagdish Chandra Bose was a pioneer in the field of radio communication, physics, biology, agriculture, botany, and engineering. He was the first to use the word 'radio' in his research on radio communication. He made significant contributions to plant growth and led the foundation of experimental science in the Indian subcontinent. He was awarded the Nobel Prize in 1931 for his research on radio communication. He was also the first to use the word 'radio' in his research on radio communication. He was also the first to use the word 'radio' in his research on radio communication.

NIKOLA TESLA

"I don't care that they stole my idea... I care that they don't have any of their own"

Nikola Tesla

Nikola Tesla was an inventor, electrical engineer, mechanical engineer, physicist, and futurist. He is best known for his contributions to the design of the modern alternating current (AC) electricity system. He was also a pioneer in the field of radio technology. He was awarded the Nobel Prize in 1917 for his work on radio communication. He was also the first to use the word 'radio' in his research on radio communication.

Max Karl Ernst Ludwig Planck

It was scientific truth that set me free, not the opinion of my colleagues and making them see the light, but rather because his opponents were too stupid to see the light.

Max Planck was a physicist who developed quantum theory. He was awarded the Nobel Prize in 1918 for his work on quantum theory. He was also the first to use the word 'radio' in his research on radio communication.

Duty at COVID centre during lockdown

It's truly commendable that Cummins College of Engineering for Women, Nagpur, contributed its services to support people affected by COVID-19. The decision to depute seven non-teaching faculties to the Primary Health Centre in Hingna Block for two months shows a strong commitment to community service during the challenging times of the pandemic.

The staff members who served, their efforts likely involved various roles related to supporting COVID-19 affected individuals. Some roles and contributions include:

1. **Assisting Healthcare Professionals** : Non-teaching faculties may have assisted healthcare professionals in various capacities, helping with administrative tasks, data management, or any other support required at the Primary Health Centre.
2. **Providing Information and Guidance** : They might have played a role in providing information and guidance to the community about COVID-19 protocols, safety measures, and available resources.
3. **Logistical Support** : Non-teaching staff could have been involved in logistical support, ensuring that the Primary Health Centre operated efficiently and effectively during the heightened demands of the pandemic.

महोदय,

विद्यानिधी, नागपूर हि संस्था सामाजिक क्षेत्रात अनेक वर्षांपासून कार्यरत आहे. संस्थेच्या वतीने वेळोवेळी विद्याधी, युवकांकरिता विविधगी कार्यक्रमांचे आयोजन करण्यात येत असते. याच अनुषंगाने वर्तमानात महिला अध्याप्यांचे वाढते प्रमाण त्हात घेता अखिल भारतीय विद्याधी परिषदेच्या देशभरातील विद्यार्थिनींना "मिशन साहसी" या उपक्रमा अंतर्गत आत्मसुक्षेचे छडे देण्यात येते आहे.

विद्यानिधी नागपूर व अखिल भारतीय विद्याधी परिषदेच्या वतीने नागपूर येथे विद्यार्थिनींना आत्मसुक्षेचे छडे देण्यात येत आहे. याचे प्रशिक्षण दिनांक ०३/०१/२०१९ ते ११/०१/२०१९ या कालावधीमध्ये देण्याचे ठरविले आहे.

"मिशन साहसी" या उपक्रमा अंतर्गत आपल्या महाविद्यालयातील विद्यार्थिनींना वरील दिलेल्या तारखानुसार आपल्या महाविद्यालयाच्या प्रिनगामध्ये विद्यार्थिनी प्रशिक्षकांच्या एक तास स्वक्षणाचे छडे देण्यात येतील. तसेच दिनांक ११/०१/२०१९ रोजी "मिशन साहसी" या उपक्रमाचे "महप्रदर्शन" करण्यात येणार आहे.

तरी आपल्या महाविद्यालयात सुध्दा "मिशन साहसी" प्रशिक्षण देण्याची परवानगी देण्यात यावी. हि विंतती....

आपली विश्वासू

**REPORT ON
Sawachchata Abhiyan 2018-19**

Date: 4th October 2018

It's fantastic to learn about the Swachhta Abhiyan activity conducted in village Mandwa in association with Jankalyan Karisamiti. This initiative not only promotes cleanliness but also involves the active participation of students in creating awareness.

Activity: Swachhta Abhiyan

Location: Village Mandwa

Association: Jankalyan Karisamiti

Number of Participants: 15 students

1. Demonstration of Importance: Students actively participated in the campaign by demonstrating the significance of cleanliness. This was done through a skit, showcasing the practical aspects of maintaining a clean environment.
2. Slogans and Messages: The students recited various slogans to convey the message of cleanliness. These creative expressions likely helped in making the campaign engaging and memorable.

3. Positive Influence on the Village: The efforts of the students had a positive impact on the people of the village. Their skit and slogans seem to have effectively conveyed the importance of Swachhta, influencing the community to embrace cleanliness practices.

Swachhta Abhiyan initiatives are crucial for promoting hygiene, sanitation, and a cleaner environment. The active involvement of students in such activities not only contributes to community development but also helps in building a sense of responsibility and awareness among the younger generation. Kudos to the students, Jankalyan Karisamiti, and everyone involved in making this Swachhta Abhiyan a success!

REPORT ON

Cancer awareness program

Date: 24th July

It's commendable that the college organized a Cancer Awareness Program in collaboration with The Indian Cancer Society and Mure Memorial Hospital. Here's a summary of the event

Event: Cancer Awareness Program

Collaborators: The Indian Cancer Society, Mure Memorial Hospital

Presenter: Dr. Yamini Alshigave

Focus: Types of cancers in women

Attendees: 18 faculties and 189 students

Cancer awareness programs are essential for educating the community about early detection, prevention, and the importance of a healthy lifestyle. Such initiatives contribute to fostering a health-conscious environment within educational institutions. Kudos to the college, Dr. Yamini Alshigave, and the collaborating organizations for organizing this important awareness program!

Report on Hemoglobin Checkup camp

Report of 'Hemoglobin Checkup'

The blood donation camp is organized every year by the MKSS's Cummins College of Engineering for Women, Nagpur in the month of January during Anannya cultural fest. During last years of blood donation it was found that the students were not able to donate the blood because of anemic conditions. Hence this year we decided to organize the Hemogram check up camp to check the anemic conditions of faculties and students and to provide them with the necessary diet plans. The camp was organized on 5.7.2018 under the NSS unit of the college. The camp was conducted by Jeevan Jyoti Blood Bank, Nagpur and it was organized for all Teaching, Non-Teaching faculties and students. The summary of the check up is as follows:

Total number of faculties (Teaching and Non-Teaching) on roll: 72

Number of Faculties who checked the Hemoglobin: 54

Number of faculties with Hemoglobin below 11: 10

Total number of students on roll for all branches: 273

Number of students who checked the Hemoglobin: 196

Number of students with Hemoglobin below 11: 58

The faculties and students with Hemoglobin below required level were prescribed with the necessary diet chart. The sample of the letter sent to parents for proper diet of their ward is attached herewith.
