6.1.1 The institutional governance and leadership are in accordance with vision and mission of the institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization and participation in the institutional governance and in their short term and long term institutional perceptive plan.

The college has set its vision in tune with Samstha's vision and objectives.

VISION: "Empowerment and enrichment of women professionals through education, innovative training of life skills and job skills for pioneering their entry in the latest technological areas and job domains; encouraging self-employment and through sensitizing awareness for women's issues in the society."

MISSION: "To develop technically and academically sound women professionals having strong work-ethics and good human-being characteristics."

The governance at the college is a multi-tier system with Samstha's management committee at top which oversees the organization's various departments and activities. The Local Managing Committee is composed of trustees, life workers, employee representatives, and elected members from industry and society. The LMC has native members who are empowered to take financial decisions in consultation with the principal of the college.

The Governing Council / College Development Committee of the college provide guidance and supports high-quality education in accordance with demands from industry, academia, and society. The Governing Council has representatives from management, RTMNU, industries, and the social sector. The principal serves as a member-secretary of the CDC together with the Chairman, GC, IQAC Coordinator etc as its members. Yearly CDCs meetings are conducted to assess the college's progress, approve various college activities, and authorize finance needs.

The authority delegation and fixing of responsibilities goes down the line from top to bottom with samstha's Management Committee at the top of pyramid and student stakeholders at bottom and policy executions runs from bottom to top. The college has well defined quality policy and

also monitoring system for execution of class assignments, social activities, mentor-student relationships, upkeep, result analysis, and corrective measures are all part of the administration of teaching and learning.

Decentralization and Participative Governance:

The institution's management, administration, finances, and academic issues are all managed using decentralized, transparent systems and processes. The general administration of the college is democratic style with the principal as leader of the team. The governance is executed through various hierarchical level function heads, department/section heads, the admin officers, account officers etc. Authority is provided in a decentralized manner to all with well-defined responsibility. The college has a 3-tier system for teaching-learning activities like Deans-Heads-faculty. The college has well defined portfolios which define the leader & team for a particular section/department/work head. The principal has formed several portfolios / committees for the decentralized governance like the examination committee, SAC, Discipline committee, anti-ragging, sexual harassment committee, SC-ST committee etc. The academic dean and heads together prepare academic calendar for smooth conduction of session under the guidance of principal and ensures execution of academic processes. The college has huge support from industries informally and formally through MoUs. The industry interactions also reflect institutional governance and the outcomes in the form of quality placements and internships.

At all the hierarchical levels the women empowerment is ensured like out of four Heads of the Departments three heads are female. Through democratic institutional governance the empowerment of women professionals is ensured to accomplish the vision of the college and samstha.

Meeting Notes

- 1 .Safety and Security of students and staff members on the road which is nearby to the college

Discussion / Decisions

- 1 There was a discussion on the complaints received from some students and staff members about problems faced by them while coming to college during college hours and after college hours. There are two approaching roads to college, and both are lonely. Both the roads are not safe as there is no locality nearby. Some hood persons take the undue advantage of this and tease the students and faculties while coming to college or going home on these roads.

- 2 Principal asked to prepare an advisory and circulations like do not walk alone on the road, go to the groups of 4 – 5 students. Do not use the technique for self-defence, store emergency contact numbers. Some suggestion to arrange one session on self-defence. Some suggestion to arrange one session on self-defence.

4	The minutes of meeting for 6 th IQAC meeting were passed.
5	As there were no further points for discussion the meeting ended with thanks to chair and other members

In light of above presentations, following points were discussed.

Discussion / Decisions	
1	All academic co-ordinators gave presentations on the agenda topics. Manish Raut gave information about the skill development program on communication skills and Pravin Selokar presented the plan of activities for library. Prof P Mahankar in his presentation told that conduction of CREO certification course online is not possible as it requires high end Laptops and licences for conduction of program which is costly. Prof P M also presented action taken report for the Course outcome for the subjects which were not up to the mark in the last year. Prof SD presented the skill development program conducted in the department and told that each student will present two applications on php for second year.
2	Mr Ameet Lele was satisfied by the efforts being taken by the college for improvement.
3	Shri Hemant Ambaselkar suggested that after the communication skill training evaluation should be done for assessment. He told that we must keep on hold the CREO certification course for now and can start it when there will be classes physically. He told that there should be check on the visit of faculties to library and all faculties should visit library at least two hours per week. He suggested that a proper planning for industry visit of faculties should be done and he can help in this issue. He insisted that faculties should take the problems on waste management, pollution control, and management of hazardous material. He was surprised about the low result of OR (Operations research) and asked to take efforts to increase the result.
4	Mrs Priti Pimpalkar (parent representative) expressed satisfaction about the progress
5	Principal Dr B. P Joshi gave following suggestions. <ul style="list-style-type: none"> To conduct pre and post-test for the skill development program for communication skill He suggested to keep CREO classes pending till the classes on physical mode. He suggested to carry CREO course for second year students and Ansys for third year students He asked Pravin Selokar to start library activities for faculties right from next week He asked Prof Shukla to take a monthly review in his department to check whether the things in the dept are going smoothly and suggest corrective action. Principal will himself take a review of ETC dept every month about industry interaction. He directed Prof Shukla to take a meeting of maths teacher to discuss about the new syllabus and the topics to be covered department-wise as per the syllabus. He told Dr Shukla to take a review of TCRT classes. He told that each faculty should visit at least three industries. Some problems can be found out regarding pollution.

	<ul style="list-style-type: none">• He told that every skill development program has to be tested and this is the practice that we have started from this year.• He told that we will have a separate meeting for articulation matrix discussion in two three days
6	Ms Aksita Prasad expressed her happiness about the college progress
7	Ms Anshika Kumri also said that everything is OK
8	Mrs Priti Pimplakar said that there is nothing to be discussed from her side
9	As there were no other points for discussion, meeting was concluded with thanks.

Sr.	Meeting Notes
1	There was a discussion on preparedness for the session AY 21-22 fro V and VII sem
2	There was a discussion on taking Gate classes
3	Presentation of Prof YD on CANVAS- LMS

In light of above agenda the following points were discussed.

Discussion / Decisions	
1	Principal told everyone that strong academics is our USP and we must take efforts to satisfy our main stake holder that is student. Hence he wants that everyone should plan all the activities for the coming session and present them before the LMC on 25 th and 26 th Aug 21. Everyone should set a target for him or herself and work accordingly. The achievement of the target should also be reflected in their monthly report. He said that everyone should do short term courses on the LinkedIn or courser or any other standard course. Special emphasis was given by him on conduction of GATE related classes in TCRT lecture. All should find out the GATE related questions of the topic and take some examples in the class and give the remaining as an assignment to the students. A separate LP TP should be made for it and should be monitored by HoT GATE cell.
2	He told that all faculties should update the daily reporting sheet on the same day otherwise it will be considered as a CL for that day and they will have to give the CL application for it. All should record their videos and should be kept ready on archive.
3	Prof Bhave suggested that all faculties should inform students about the subject weightage in GATE exam and should refer the last year questions.
4	Prof Mahankar told that the spread sheet should have some locking system so that the data entered by all should be protected. Principal told all ACs that, they should take a weekly backup of the sheets shared with all faculties.
5	Principal told that reviews about the projects should be done regularly.
6	Prof Y Dandekar gave a presentation about the "CANVAS-LMS". He explained all the required information about it. Principal suggested that all should explore it and start using it.
7	As admission is our priority and this period is crucial for all of us to work for on it. Principal informed all that there will be separate logbook maintained for calling for admission campaign and all should do the calling from seminar hall and enter their feedback in the logbook.

Meeting Notes

- 1 There was a discussion on starting a college on offline modes as per the directives from DTE and RTMNU
- 2 There was a discussion on sessional I exam for 1st Sem and 8th Sem .
- 3 Need of revised time table.

In light of above agenda the following points were discussed.

Discussion / Decisions

- 1 Principal informed all that there are the directives from DTE and RTMNU for starting college in offline mode for all HEI. He took the views of all present in the meeting about it. All those who were present in the meeting gave consent about starting the college in offline mode. Hence it was decided that we should start the college physically from 14th Feb 2022 so that outside Nagpur students will get sufficient time to report to college before 13th Feb.
- 2 Principal asked Mithun Ragenwar about the hostel accommodation requirements. He replied that there are sufficient rooms available for engineering students in the hostel. Principal also asked him to discuss about bus routes with the bus contactor. Mithu Ragenwar informed that all the classes that

week and see to it that every classroom is well equipped.

- 3 Dr Shastri told that there is a need of modification in the time table as the present time table is made only for online classes. The practical should be conducted in batches. Principal told that the timetable committee should work on it and prepare a new time table for all semesters.
- 4 It was decided that the sessional examination of first semester students (starting from 14th Feb) and eighth semester students starting from 21st Feb) should be descriptive and not Multiple choice as it was earlier for last academic year. For DSE students the exam will be conducted as per the notice already issued by exam dept.
- 5 The meeting ended with the discussion that everyone should take care of their health and follow the COVID 19 guidelines.

Dear All,

All of you were given some tasks or club activity for development college and students. Some of you headed the tasks. All HoTs are requested to generate a report of activities held in last calendar year (2021) and also give your plan of action for year 2022 for the assigned task/ club.

I would appreciate if you can share the report in softcopy and **also come with hard copy for discussion with me on Wednesday 19th Jan 2022**. The report should have following contents made in MS word using Ariel font size of 11 along with proper headers and footers –

1. Name of Task/ Club
2. Table of team members (Faculty & Students) and who has taken which responsibility of the task.
3. Activities done in the year 2021 (In chronological order, supported with pics and statistics about participants – about 250 words)
4. Activities planned for year 2022 (In a tabular form in mentioning proposed week of the month)

The latest list of committees is enclosed for your ready reference.

RELEVANCE OF THE PROGRAMME

Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competition also offer a break from the daily routine tasks and recreate or re-energetic them.

The following events have been organized for the sports tournaments for students:

- ❖ CRICKET
- ❖ VOLLEYBALL
- ❖ TABLE TENNIS
- ❖ CHESS
- ❖ ATHLETICS
- ❖ TUG OF WAR
- ❖ KHO-KHO
- ❖ KABADDI
- ❖ BADMINTON
