6.1.1 The institutional governance and leadership are in accordance with vision and mission of the institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization and participation in the institutional governance and in their short term and long term institutional perceptive plan.

The college has set its vision in tune with Samstha's vision and objectives.

VISION: "Empowerment and enrichment of women professionals through education, innovative training of life skills and job skills for pioneering their entry in the latest technological areas and job domains; encouraging self-employment and through sensitizing awareness for women's issues in the society."

MISSION: "To develop technically and academically sound women professionals having strong work-ethics and good human-being characteristics."

The governance at the college is a multi-tier system with Samstha's management committee at top which oversees the organization's various departments and activities. The Local Managing Committee is composed of trustees, life workers, employee representatives, and elected members from industry and society. The LMC has native members who are empowered to take financial decisions in consultation with the principal of the college.

The Governing Council / College Development Committee of the college provide guidance and supports high-quality education in accordance with demands from industry, academia, and society. The Governing Council has representatives from management, RTMNU, industries, and the social sector. The principal serves as a member-secretary of the CDC together with the Chairman, GC, IQAC Coordinator etc as its members. Yearly CDCs meetings are conducted to assess the college's progress, approve various college activities, and authorize finance needs.

The authority delegation and fixing of responsibilities goes down the line from top to bottom with samstha's Management Committee at the top of pyramid and student stakeholders at bottom and policy executions runs from bottom to top. The college has well defined quality policy and

also monitoring system for execution of class assignments, social activities, mentor-student relationships, upkeep, result analysis, and corrective measures are all part of the administration of teaching and learning.

Decentralization and Participative Governance:

The institution's management, administration, finances, and academic issues are all managed using decentralized, transparent systems and processes. The general administration of the college is democratic style with the principal as leader of the team. The governance is executed through various hierarchical level function heads, department/section heads, the admin officers, account officers etc. Authority is provided in a decentralized manner to all with well-defined responsibility. The college has a 3-tier system for teaching-learning activities like Deans-Heads-faculty. The college has well defined portfolios which define the leader & team for a particular section/department/work head. The principal has formed several portfolios / committees for the decentralized governance like the examination committee, SAC, Discipline committee, anti-ragging, sexual harassment committee, SC-ST committee etc. The academic dean and heads together prepare academic calendar for smooth conduction of session under the guidance of principal and ensures execution of academic processes. The college has huge support from industries informally and formally through MoUs. The industry interactions also reflect institutional governance and the outcomes in the form of quality placements and internships.

At all the hierarchical levels the women empowerment is ensured like out of four Heads of the Departments three heads are female. Through democratic institutional governance the empowerment of women professionals is ensured to accomplish the vision of the college and samstha.

Sr. No.	Meeting Notes
1	Principal welcomed all the members and the meeting started with the introduction by all members.
2	Mr Ameet Lele was available online for the meeting along with Mr Abhijit Parande.
3	Dr Shastri also welcomed all and started the proceeding of the meeting.
3	Each Academic coordinator briefed about the topics covered in skill development program conducted in the department during 9 th Dec to 13 th December & also presented future plans of the departments along with the results of the odd semester.
4	The minutes of meeting for 4 th IQAC meeting were passed.
5	As there were no further points for discussion the meeting ended with thanks to chair was concluded with lunch.

In light of above presentations, following points were discussed.

Discussion / Decisions	
1	Mr Ameet Lele gave the following suggestions.. <ul style="list-style-type: none">• He asked all the Academic coordinators to present the future plan in term of numbers and give a time line for the plan. He asked to set a target for each point in the plan.• He also suggested every meeting in the departments should start with the action points of the last meeting and end with the note send to principal for action points discussed in the meeting.• He assured that every help will be provided from Cummins India Limited for the development of institution and up gradation of faculties.
2	Shri Milind Kukde suggested faculties to publish papers in reputed Journals.
3	Shri Sudhakar Kunte asked to seek the cooperation of students for remedial classes for backlog subjects and encourage them to attend the same. He expressed that communication skill of the faculties is important and institute must conduct FDP on communication skill for faculties. He told to think on the mechanism of transmitting the knowledge of machines to students if faculties learn it in the industry.
4	Mrs Shubhangi Deshpande (parent representative) expressed happiness about the efforts being taken by the institute for the benefit of students.
5	Principal Dr B. P Joshi enquired about the execution of academic monitoring plan. <ul style="list-style-type: none">• He told ACs to give proper orientation of students at the beginning of the session for second year especially for DSE students so that it will help them in their results. He suggested to use new technique in the project of final year students.• He instructed computer department to prepare a Brochure within a week if they want to conduct STTP in the month of April 2020 and come up with the complete planning.• Principal told that all faculties of ETC dept. should do certification course on lab view in the month of April 2020.• He asked AC of Allied Science dept. to design an aptitude test for students of first year which will include logical reasoning and mathematical aptitude and also take the help of Kelkar sir and Apte sir if required.• Principal told that each faculty should go to library from 4 to 4.30 pm every day to read journal /new books or listen videos from you tube.

	<ul style="list-style-type: none"> • He asked Manish Raut to conduct FDP for faculties for communication skill with the help of Zensar. • He expressed anguish on low result of M3 for mechanical students and asked AC of Mech to come back with the answer on low attendance and low result of second year. He told him to take the CAD modelling course for students seriously. He also suggested to conduct skill development program depending upon the level of student • He told Pravin Selokar to arrange webinars and give prior intimation of it to all students and faculties. • Principal recommended amendment in the SoP for project. Allotment should be done in the sixth semester in the month of Feb and first review meeting should be done in the month of March every year.
6	AC of E TC dept informed that the robotics lab and IOT lab will be ready in the next month.
7	Prof suruchi Kitey raised a point that every student must publish a paper in national or international conference before submitting the thesis for final year project.
8	Ms Vaisnavi Gogoi reported that the buddy system is not being taken seriously by the students. She told that there is some information that can be passed on to junior students related to some platforms available for learning, hence SH can be utilized for that.
9	As there were no other points for discussion, meeting was concluded with thanks.

Dear Sir/Ma'am,

Greetings from Cummins College of Engineering for Women, Nagpur!!!

Empowerment of women through education was started by the great visionary and social worker Bharatratna Maharshi Dhondo Keshav Karve in 1896. **MKSSS - Maharshi Karve Stree Shikshan Samstha's Cummins College of Engineering for Women, Nagpur** was established in 2010. The college has a mission **"To develop women professionals who will be not only academically and technically sound with strong ethics but above all shall be good human beings"**.

This year, IEEE student branch of Cummins college in association with IEEE Nagpur Subsection is organizing an event, **IGNITE-5 - An Entrepreneurship Summit** with a theme '*Atmanirbhar Bharat*' with focus on Young Entrepreneurship.

It is indeed our great pleasure to invite you as **Guest of Honour** for inauguration of Entrepreneurship Summit **IGNITE-5** on **15th September 2020** at **5:20 PM**. This will be an online event on Zoom platform. Your association with this event would be a moment of pride for our team. Looking forward to your consent. Your graceful presence will be a source of inspiration for all of us. Thanking you,

Yours Sincerely,

Prof. Jaya Raut

IGNITE-5 Report

Cummins College of Engineering for Women, Nagpur's IEEE Student Branch in association with IEEE Nagpur Subsection had organized an event '**IGNITE 5-Entrepreneurship Summit**' on 15th and 16th September'2020. With over 12 Speakers and a chief guest, and various special invitees from different fields, IGNITE offered immense opportunity to connect with professionals and young Entrepreneurs

The two-day event comprised of various activities like Keynote sessions, Success & Failure stories by young entrepreneurs, Webinar on how to start your own venture, TEDx, Ideation-where participants discussed their start up ideas, Panel Discussion.

The grand event was inaugurated at the hands of **Dr. Swati Majumdar** who graced this event as a chief guest. Dr. Majumdar is Pro-Chancellor, Symbiosis Skills and Professional University, Pune Pro-Chancellor, Symbiosis University of Applied Science, Indore. The other dignitaries present were **Dr. Suryanarayana Doolla**, Chairman of IEEE Bombay section. **Mr. Arvind Kumar**, Past Chairman, IEEE Nagpur Subsection and **Dr. Bharatbhusan Joshi**, Principal of Cummins College of Engineering for Women, Nagpur.

Principal, **Dr. Bharatbhusan Joshi**, Past Chairman of IEEE Nagpur subsection **Mr. Arvind Singh** and Chairman IEEE Bombay section **Dr. Suryanarayana Doolla** addressed the gathering initially, followed by our Chief guest for the evening **Dr. Swati Majumdar**. She, in her speech, emphasised on skill development and enhancement of them rather than only gaining knowledge.

The event then progressed towards its first session of the evening by **Mr. Amitanshu Nath**. He is a practicing **Clinical Hypnotherapist**. As a therapist, he is specialist in Inner Child Healing. Composer and singer, currently working on his Music Album, Amitanshu also has an artistic side to himself. He gave information regarding mental health. To bring more clarity regarding one's goals and performed visualisation exercise. He also sang a song for the audience and graced the evening.

Furthermore, event advanced with **Success and failure stories by young entrepreneurs**. The first speaker to share his journey was **Mr. Swanand Kadam**. He is a Social Entrepreneur and Lead architect at **Kalam** which is First ever programming language in Hindi. English as a language, can be a problem for people coming from rural areas. Kalaam has a solution for all these problems. It's a web programming language in Hindi which has all the basics of a programming language. It is very similar to some of the most used programming languages like Java, C, etc.

The second Speaker for success and failure stories was **Mr. Ashutosh Mundhada**. He is Co-Founder at **Your Physio**-Physiotherapy centres. Started off by sympathising on the fact that 'how not everybody is an Engineer by choice rather merely an Engineer by chance'. He taught us how to stop thinking about the pros and cons and say YES to opportunities that come your way. He made us realise that it will take time for people to accept you in the market.

The Session was concluded by a Q & A round with both the speakers.

Evening progressed further to the most awaited session i.e. **TEDx CCoEW** by **Ms. Anubha Maneshwar**. She is Founder of **GirlScript foundation** and **GirlScript technologies**. She has been Featured in Forbes under 30 Asia list of 2020 under the Social Entrepreneurs category. She narrated her story of how she started from her first job and her progression towards Girlsript. She asked us to be passionate and follow what comes your way.

This session summed up with a Q & A round.

Day 2 i.e. 16th September'2020 started with address of **Mr. Ranjit Singh**, Chair of IEEE Nagpur subsection, followed by the **keynote session** by **Mr. Amol Nitave**. He is CEO and founder of EvolvingX, Software engineer turned social catalyst. He explained about his venture EvolvingX and the steps he took to follow his passion to do good to the society.

The next was webinar by **Mr. Sandip Shinde** on **How to start your own venture**. Mr. Shinde is Head of Alliances, Operations and innovation coach at Digital Impact square (DISQ). He is also CEO and cofounder of Kumbhathon Innovation foundation. He urged that one really need to be passionate about his goal to achieve it and said the value of an idea lies in the use of it. He also emphasised on to develop a Multidisciplinary team to grow with. Webinar was concluded with a Q& A session.

Then a short **Stand-up comedy session** was held by Comedian **Akash Gaurav Singh**.

Thereafter participants presented their ideas in **Ideation** which were judged by **Mr. Kunal Mehta** who is CIO, writer, Speaker and start-up mentor. He evaluated the ideas and had a quick discussion with the participants. He also focused on the idea of how to find out an idea and how to grow it to help it to sustain for longer period of time.

The last event of the 2-day summit was **Panel Discussion**. The panellists were Mr. **Millind Kanade**, he is a Chartered Accountant since 1996; **Mr. Abhinav Singh**, Founder and CEO at Follege and a college entrepreneur; and **Mr. Amol Nitave**, CEO of EvolvingX. The event was moderated by **Miss Dimple Khilwani**. The topic of panel discussion was **Aatmanirbhar India**. The panellists discussed various aspects of Aatmanirbhar India, its effects and consequences in forth coming days.

Ignite 5 concluded on a positive note by **Mr. Shubham Gupta** as guest of valedictory function.

Ignite 5 was jointly coordinated by IEEE CCoEW student branch and IEEE Nagpur subsection.
