Dear all,

The college time for TF has been flexible since the last 4 to 5 years. There are some difficulties faced by each one of us during the last few years. To remove all such difficulties it is thought that there should be a common timing for all TF and the lab attendants, assistant and technical staff and workshop persons.

The proposed time is as follows .

- 1)The punch in time for all TF shall be 8.40 AM and punch out time shall be 4.10 AM
- 2) For all NTF ( technical, lab attendant,assistant and workshop persons) it will be 8.30 AM to 4.20 PM.
- 3) National Anthem will be conducted at 8.42 am every day
- 4) Lectures will start from 8.45 am to 4.10 pm

It will be applicable from 1st June 2023.

The timings are not hampering any schedule in the mess specially for hostel students. The changed timing will be conveyed to the feeder bus for those who are coming by it.

All are requested to go through the mail and revert back only if any one has any objection.

Dear Sir/ Madam,

New Year Greetings from All India Council for Technical Education!

As you aware, Facebook's School of Innovation announced 500 National Scholarship in Augmented Reality (AR) for students this year. In this connection, Online Applications are invited from Jan 13 to Feb 12, 2020. The objective behind this scholarship is to give students an opportunity and platform to learn how to conceptualize, create and brand their own content experiences, before deploying them using Spark AR Studio and publishing to Facebook.

In this scholarship programme, 250 student teams (2 students per team) will be selected from a nationwide pool and be trained by industry experts over 12 weeks through the School of Innovation. The selected 250 teams will be given full Scholarship to partake in the program and the top 25 teams will be invited from National Demo Day hosted by Facebook.

It would be great, if you could circulate this information and attached brochures among the students of your institution, so that they may take the benefit out of this scholarship programme.

For more details and to apply please visit <https://www.sv.co/fb>

**Subject:** National Scholarships in Augmented Reality for Students - Reg

Dear Sir/ Madam,

New Year Greetings from All India Council for Technical Education!

As you aware, Facebook's School of Innovation announced 500 National Scholarship in Augmented Reality (AR) for students this year. In this connection, Online Applications are invited from Jan 13 to Feb 12, 2020. The objective behind this scholarship is to give students an opportunity and platform to learn how to conceptualize, create and brand their own content experiences, before deploying them using Spark AR Studio and publishing to Facebook.

In this scholarship programme, 250 student teams (2 students per team) will be selected from a nationwide pool and be trained by industry experts over 12 weeks through the School of Innovation. The selected 250 teams will be given full Scholarship to partake in the program and the top 25 teams will be invited from National Demo Day hosted by Facebook.

It would be great, if you could circulate this information and attached brochures among the students of your institution, so that they may take the benefit out of this scholarship programme.

For more details and to apply please visit <https://www.sv.co/fb>
