NA

Nothing

No

Shivani is a good asset for the company. Suggestion for Institute / Collage - Need to provide more practical exposure to the students during academics. Student should have clarity on different types of industries. It will help them to get acquainted with the working atmosphere. Student while appearing for campus should have clear thought regarding his / her career to be pursue in life. Which will reduce the initial attrition of the organization and will help student to approach towards their interested industry.

All are good.
